

JOB DESCRIPTION

Accounting Supervisor

Ref. J068/DC/C0105/2019/R1

- Global aerospace company.
- More than numbers and compliance.
- Aerospace business development.

Our client is one of the largest global aerospace companies in the world. They have a facility in Hong Kong servicing the region's largest operators.

They are believer and adopt best in class across the business and they are looking for a high calibre individual to join their accounting department. The title is not fancy, but the role is dynamic and covers the basics of financial & management reports, accounts payable functions, payroll, billings and reconciliation.

There is more, you will be monitoring the services performance of AP and Payroll vendors and working closely with them to facilitate the approval and payment process. You would also ensure all related documents and attendance records are all in place in the respective systems.

You will have a higher diploma in accounting or business, be a student member / member of ACCA / HKICPA, worked with SAP or Hyperion, and worked with LEAN. Your knowledge in MPF, e-payment, SOX compliance and taxation would be an advantageous.

You enjoy making numbers fascinating and a powerful tool. You are dynamic in communicating the world of numbers to the team and if this is you, jump into the demanding world of aerospace engineering.

Work Location is at Tseung Kwan O. Paid shuttle bus services will be provided at designated pick up points.

Interested candidates please send your CV to stepup@stepup.com.hk or visit the website <http://www.stepup.com.hk/opportunities.html> to submit your application. Candidates should submit their CVs with true, compete and accurate information.
