

JOB DESCRIPTION

Parts Manager

Ref. J061R2/DC/C0005/2019

- Award winning automotive repair network.
- Loves cars, customer centric.
- Keep the inventory moving.

Our client is a regional conglomerate with an award winning and established automotive repair network.

They are seeking an experienced parts manager, who has an in depth knowledge in managing automotive inventory. You will work with inventory teams across Hong Kong, to ensure the service centres are stocked with the optimum levels of spares so they can deliver consistently to their customers. You will formulate and put into action an effective sales and marketing strategy

Parts sales to both internal and external customers are also core to running the business. You will be an inventory specialist, great at leading remote teams and have ideally have experience with working and partnering with the Japanese & European automotive OEMs who they represent.

You will have a business head, and your team will look to you to set the strategy and lead from the front and deliver consistently to exceed KPIs.

If you are experienced with working with industrial or technology OEMS, take up the challenge too!

Step Up to the plate and make the move and apply now.

Interested candidates please send your CV to stepup@stepup.com.hk or visit the website <http://www.stepup.com.hk/opportunities.html> to submit your application. Candidates should submit their CVs with true, compete and accurate information.
