

JOB DESCRIPTION

Assistant General Manager, Finance

Ref. J086/WW/C0005/2019

- Based in Hong Kong and Shanghai
- Significant role impacting business
- Familiar with IPO and China financial operations

Our client is a regional conglomerate with an award winning and growing businesses. As business continues to evolve, the leadership has targeted and wishes to take the group to the next level.

If you are wanting to be a business partner, this role will be suitable for your consideration.

The key of your role will be participating in the analysis and decision-making of important business arrangements of the company, such as company operation, business development, fund raising, and foreign investment. You will develop and maintain key financial performance metrics and tracking system, and conduct regular business review with brands and business partners in terms of performance analysis

You should have a critical eye on the company's finances, spotting data anomalies, trends, or deviations, and introduce strategies for long term business growth and improvement. Have a proficiency in the operation of taxation, and financial operations of listed companies in Hong Kong.

Managing a team to coordinate and monitor the company's taxation, and relationship with the banks, and government departments in order to safeguard the company's interests.

Joining the team, you must be a graduate or above in Accountancy with a professional qualification under HKICPA / ACCA or equivalent.

Ideal candidate should be experienced on working with business partners in negotiations, agreement review, IPO and M&A projects. Minimum 7 years financial accounting experience in sizable and regional organization is required. Experience with Hong Kong and China accounting systems.

You should have the ability to simplify esoteric financial information to benefit the company leadership and strong sense of responsibility, who works independently.

Proficient in written and spoken English, Chinese and Putonghua. Knowledge in Oracle Financial System and System Implementation is an advantage.

Immediately available is highly preferable.

Interested candidates please send your CV to stepup@stepup.com.hk or visit the website <http://www.stepup.com.hk/opportunities.html> to submit your application. Candidates should submit their CVs with true, compete and accurate information.
