

JOB DESCRIPTION

Finance Manager

Job Ref. J081/WW/C0112/2019

- Business partner role
- Applying your financial acumen
- Seeing the change

Step Up is representing an US based hardwares manufacturing and trading company to look for a Finance Manager who has experience of Hong Kong and China.

This leadership role in Asia, to provide a clear picture to the business units through financial planning and analysis of the market, and to drive for continuous improvement.

Working with your business heads on budget and forecast, you will participate actively to drive the top and bottom line, set and achieve the targets.

Leading and directing the finance organization in providing accurate and timely accounting and finance works to business, and ensure all related processes are compliant. They will need your insight when the business conducts contract review and be the point of contact with internal and external stakeholders.

Qualifying for the role, you must have at least 8 - 10 years' work experience in accounting and finance field, with 3 years Finance Manager experience. Knowledge of Hong Kong and China accounting and taxation requirements, as well as ERP system (Kingdee) will be an asset.

A degree holder in Finance, Accounting or related disciplines, and a professional requalification of Certified Public Accountant (CPA) are required.

Besides, a detail-minded, and trustworthy person who has strong interpersonal, communication, and teamwork skills would suit the role well. As a team leader, you should be a self-starter with strong sense of responsibilities and set the example to work critically and independently. Proficiency in MS office applications and in English and Chinese.

Interested candidates please send your CV to stepup@stepup.com.hk or visit the website <http://www.stepup.com.hk/opportunities.html> to submit your application. Candidates should submit their CVs with true, compete and accurate information.
